To promote Business Life & Disability Income Insurance

Business Insurance

Buy-Sell Agreements • Key Person Protection

Life and Disability Income insurance is a great way to fund Buy-Sell Agreements should a premature death or disability require the transfer of a business ownership.

And, what if someone “key” to the business operation were to die or become disabled? Key Person Protection—an employee benefit—can provide financial protection for the family *or* the business!

Stop in and let us help you design the program right for you!
